Jay,

Attached please find the agenda for Thursday, March 1st stakeholder presentation portion of the Contaminated Sediment Advisory Group (CSTAG) Meeting at EPA Region 2's 290 Broadway, New York office. Conference line and screening sharing link information are included in the attached agenda.

In advance of the meeting, I want to confirm my understanding that NJDEP intends to submit written remarks by Wednesday, February 21st. If there are any changes please let Diane Salkie and I know as soon as possible.

By February 21st, please provide EPA a list of who will be attending the meeting on the NJDEP's behalf. A list of names need to be provided to security for entrance into our building.

Thank you in advance,
Jennifer LaPoma
